# Rules & Regulations

---

All players must adhere to the approved fencing gear.

## **U11:**

1. The size of the sword in the U11 tournaments is 0-2 only.
2. The individual tournaments for 11 years (UAE) are held in a group tournament system (5 touches for the game) in three minutes for the preliminary rounds and 100% of the players are drawn for the knockout rounds.
3. The game then proceeds with a knockout system according to the number of eligible players from (10 players to 11 players)
4. The duration of the match is 6 minutes divided into two rounds with a one-minute rest between each round in the Foil and Epee if the law of the game calls for otherwise. As for the sabre, the minute of rest (after a player's score reaches 5) until the semi-finals are played so that the winners qualify for the final and the losers in the semi-final match are determined by their third ranking.

# Rules & Regulations

---

## U13 – U15:

1. The individual tournaments for stages (13-15) shall be held according to the group league system (5 touches per match) in 3 minutes for the preliminary rounds and the following shall be excluded:
  2. 20% in the case of less than 30 players, with fractions of the higher number.
  3. 30% if more than 30 players participate with fractions for the lower number.
4. This is according to their ranking after calculating the results of the preliminary rounds, and then play begins with a knockout system according to the number of qualified players from 15 games. The duration of the match is 9 minutes divided into three rounds with a minute of rest between each round in the Foil and Epee if the law of the game calls for otherwise. As for the sabre, the minute of rest (after a player's score reaches 8). (Until the semi-final round, the winners will advance to the final and the losers in the semi-final match will be determined according to their ranking in the knockout table.
5. If less than ten players participate in this age category, the game will be played in a single group system (15 touches) and the ranking is calculated according to the points at the end of the group and the points are calculated.
6. The ranking is calculated for only 80% of the participants in the tournament, with fractions for the lowest correct number.
