- To access your registered school account and enter a team, kindly click the link below - <https://portal.dubaischoolsgames.ae/school/login>
- Maximum of 12 Players per team

RULES

- The player must dribble the ball with one hand while moving both feet. If at any time, both hands touch the ball or the player stops dribbling, the player must only move one foot.
- Once a player has stopped dribbling, they cannot start another dribble. A player can only start another dribble after another player from either team touches or gains control of the basketball.
- The ball must stay in bounds. If the offensive team loses the ball out of bounds the other team gets control of the basketball.
- The player's hand must be on top of the ball while dribbling.
- Once the offensive team crosses half-court, they may not go back into the backcourt. If the defensive team knocks the ball into the backcourt, then the offensive team can recover the ball legally.

RULES – Cont'd

- A foul is described as gaining an unfair advantage through physical contact. There is some interpretation that must be made by the referee, but, in general, the defensive player may not touch the offensive player in a way.
- Although the foul rule is described above applies exactly the same to all players on the court.
- No player can touch the basketball while it is traveling downward towards the basket or if it is on the rim. This is called goaltending.

REGULATIONS

- Four quarters of 5 minutes.
- One-minute break between quarters.
- 2 minutes break between halves.
- A maximum of x2.30 second time-outs will be permitted per game.
- Five seconds in the passing lane.
